

DISCLAIMER

PLEASE READ BEFORE USING THIS GUIDE

The information provided in this guide is for educational and informational purposes only and is not intended as medical advice.

Your safety is your responsibility.

IMPORTANT INFORMATION

Your Safety Comes First

Always prioritize hygiene, use sterile equipment, follow proper protocols, and listen to your body. If you experience any adverse effects, discontinue use and seek professional medical attention.

- ♥ This guide is not a substitute for professional medical advice, diagnosis, or treatment.
- ♥ Always do your own research and consult with a qualified healthcare professional before starting any new treatment, especially if you have a medical condition, are pregnant, nursing, or taking medication.
- ♥ The techniques and recommendations in this guide are based on personal experience and research. Results can vary from person to person.
- ♥ You are **solely responsible** for your own decisions, actions, and results.
- ♥ The author and creator of this guide are not licensed medical professionals. All content is shared in good faith.
- ♥ This guide does not provide medical, legal, or professional advice of any kind. **Use at your own risk.**

DO YOUR OWN RESEARCH

Stay informed, ask questions, and educate yourself before trying any treatment.

HYGIENE IS EVERYTHING

Always use sterile equipment and clean products to reduce the risk of infection.

KNOW YOUR CONTRAINDICATIONS

Do not use if you have any conditions that could be worsened by the treatment.

START SLOW AND LISTEN

Everyone's skin is different. Start with less, observe how your skin responds, and adjust.

YOU ARE IN CONTROL

You know your body best. Always make empowered, informed decisions.

♥ LEGAL DISCLAIMER ♥

By using this guide, you acknowledge and agree that the author, creator, and any affiliated parties are not liable for any injury, harm, loss, or adverse reaction that may occur as a result of using the information provided. You agree to take full responsibility for your own health, safety, and results.

This guide is here to empower you with knowledge,
but you are the expert of your own journey.

Thank you ♥

for being part of this journey and for prioritizing your confidence and well-being.

LAENNEC

Information Guide

CONSISTENCY
creates
TRANSFORMATION.

♥ GENERAL INFORMATION OVERVIEW ♥

♥ WHAT IS LAENNEC?

A prescription injectable solution containing human placental extract. It has been used in Japan for over 60 years in integrative medicine.

♥ HOW IS IT SOURCED?

- Derived from healthy human placentas.
- Donors are screened for infectious diseases.
- Collected with informed consent and under strict ethical standards.

♥ HOW IS IT MADE?

- Processed using proprietary enzymatic hydrolysis.
- Low-temperature extraction preserves bioactive compounds.
- Sterile filtration and quality control testing ensure purity.

♥ WHAT IS IT USED FOR?

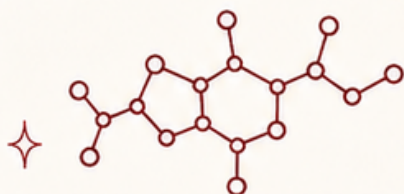

- Approved in Japan for liver disease, hepatitis, and cirrhosis.
- Supports liver cell regeneration and function.
- Used off-label in aesthetic and wellness applications (e.g., skin health, anti-aging support, recovery).

♥ WHAT DOES IT CONTAIN?

A rich blend of naturally occurring bioactive compounds, including:

- Peptides
- Growth Factors
- Amino Acids
- Vitamins
- Nucleic Acids
- Minerals

♥ IS IT SAFE?

- Generally well-tolerated when used as directed.
- Use sterile technique and follow proper dosing.
- Not recommended for pregnant or breastfeeding individuals.
- Consult a licensed professional for medical use.

♥ IMPORTANT NOTES

- Laennec is a prescription product in many countries.
- Laws and regulations vary by location.
- This guide is for educational purposes only and is not intended to diagnose, treat, cure, or prevent any disease.

FURTHER DETAILS

KEY COMPONENTS & PROPOSED MECHANISMS

- **Peptides & Growth Factors**
Support cell signaling, proliferation and tissue repair.
- **Amino Acids**
Provide building blocks for proteins and cellular function.
- **Nucleic Acids**
May support cell regeneration and protein synthesis.
- **Vitamins & Minerals**
Support metabolism, antioxidant defense and overall cell health.

WHAT RESEARCH SUGGESTS*

Studies on Laennec have primarily focused on liver disease. Reported findings include:

- ✓ Improved liver enzyme levels
- ✓ Reduced inflammation and fibrosis markers
- ✓ Antioxidant and anti-inflammatory effects
- ✓ Support for liver cell regeneration

Research on cosmetic or anti-aging benefits is limited and based mostly on anecdotal reports or small studies. More high-quality clinical trials are needed.

*Research varies. Results are not guaranteed.

SAFETY & CONTRAINDICATIONS

- Generally well-tolerated when used as directed by a medical professional.
- Possible side effects: injection site reactions, mild fever, headache, or allergic response.
- Contraindicated in individuals with known allergy to human placental products.
- Use caution in patients with acute infections, immune disorders, or a history of malignancy.
- Not recommended during pregnancy or breastfeeding.

Always consult a qualified healthcare professional before use.

STORAGE & HANDLING

- For best stability: Refrigerated storage at 2–8°C (36–46°F) may be preferred.
- Permitted storage: Keep sealed ampoules at 1–30°C (34–86°F), according to the product storage instructions.
- Protect from direct sunlight, moisture, and extreme temperatures.
- Keep sealed in the original packaging until use.
- Check the expiration date before use.

HOW IT'S ADMINISTERED

Injected via subcutaneous, intramuscular, or intravenous routes depending on the condition being treated and practitioner preference. Dosage and frequency should be determined by a licensed medical professional.

MANUFACTURER INFORMATION

- Manufactured by: Japan Bio Products Co., Ltd.
- Brand: Laennec
- Country of Origin: Japan
- First Approved: 1954 (Japan)
- Prescription Product

AESTHETIC USES OF LAENNEC

Skin Rejuvenation

Supports collagen production, improves skin texture, tone, and elasticity.

Hydration & Radiance

Enhances skin hydration for a smoother, more radiant appearance.

Anti-Aging Support

May reduce the appearance of fine lines and improve overall skin quality.

Hair Health

Supports scalp environment and may promote healthier, stronger hair.

Scar & Tissue Repair

Aids in skin repair and may help improve the appearance of acne scars and other scars.

Overall Vitality

Supports cellular regeneration for healthier, more youthful-looking skin.

QUICK FAQ

Q: Is Laennec FDA approved?

A: No. It is not FDA approved and is not available in the United States.

Q: Can I buy it online?

A: Only purchase from reputable, verified sources. Counterfeit products exist.

Q: How long does a vial last?

A: Single-use vials. Use immediately after opening.

Q: Can it be combined with other treatments?

A: Yes, but should be discussed with your provider.
